Re: Code Enforcement Budget 2010/11
Date: October 28, 2009

The 2010/11 Code Enforcement Budget has been entered onto the master budget spreadsheet. No significant changes are proposed as per instruction from the Budget Committee. In fact, the only changes are the 1.8% wage increase, part of which is offset by a reduction in telephone and legal costs.

Respectfully submitted,

Dennis Ford, Code Enforcement Officer
Stu Marckoon, Administrative Assistant to the Selectmen
